

The New Forest Meddlars is a mixed Morris Side formed in 1990 and based in Lyndhurst, a village that has been the 'capital' of the New Forest since William the Conqueror established the area as a royal hunting ground in 1079.

Our repertoire of dances is drawn from the variety of different traditions established in the villages of the Welsh border country and the Cotswolds in the South Midlands of England.

We welcome new members as dancers and/or musicians. If you are interested, come and try a taster Morris session at

The Scout Hut, Romsey Road, Coppythorne on Tuesday 11th October at 8.30pm

During the winter months we practise each week in Coppythorne and during the summer we dance out around the Forest area.

This programme is as accurate as we can make it, but very occasionally last minute changes may be made to suit unforeseen circumstances.

You can contact us via our Squire, Bob Dodson

Telephone 01962 886132
